

# Warnervale Public School

## Your child: Our Commitment

Dear Parents / Carers,

### Welcome

We welcome the following Newcastle University practicum students who are completing their first year placement with the following classes: **KR**: Miss Danielle Vargas and Miss Natalie Brunetta **K/1S**: Mrs Mona Towdiee and Miss Melissa Crocker **4S**: Miss Amy Dean and Mr Kynan Currey.

We know they will enjoy their time with us and be well supported at Warnervale.

I am in the process of Merit Selection to appoint a new permanent class teacher at Warnervale for 2021.

### Basketball COLA

Work is underway on our new covered basketball court. The holes have been dug for the steel posts to support the cola. They are now building the structure and will be returning throughout the term. Work is due to be completed in late February.

### Digital Technologies

The Digital Technologies Curriculum is a new curriculum area which offers children the opportunity to become innovative creators and effective users of digital solutions, as well as critical consumers of digital information. This curriculum area provides students with authentic future-focused learning challenges that foster curiosity, confidence, persistence, innovation, creativity, respect and cooperation. There have been many amazing projects, including programming Lego in Stage 3 and Scratch in Stage 1.

### Presentation Day 2020

I am very disappointed to inform you that we will be unable to invite parents to our Presentation Day Assemblies in 2020. The COVID restrictions state that for adults to be on school grounds we need to strictly adhere to the 4 square metre ruling distance between adults. Tuggerah Lakes Network of schools has made a decision that all schools will adhere to the same policy. We will hold our Presentation Day on Monday December 7 for all students to attend. If your child is receiving an award you will receive a phone call from their class teacher. We will take a photo of all children who receive awards as a memento for you.

### End of Year

You have received notes concerning end of year excursions. Please make sure payments and permission notes are sent in by due dates. If you are leaving us at the end of this year, you need to notify the school in writing. This is very important for school organisation and staffing structures.

Regards,

Ms Jill Carter

Principal
